CliftonLarsonAllen LLP CLAconnect.com

Honorable Mayor and Members of the City Council City of Avon Park, Florida

We have audited the financial statements of the governmental activities, the business-type activities, each major fund, and the aggregate remaining fund information of the City of Avon Park, Florida (the City) as of and for the year ended September 30, 2020, and have issued our report thereon dated October 8, 2021. We have previously communicated to you information about our responsibilities under auditing standards generally accepted in the United States of America, Government Auditing Standards, and Title 2 U.S. Code of Federal Regulations Part 200, Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards (Uniform Guidance), as well as certain information related to the planned scope and timing of our audit. Professional standards also require that we communicate to you the following information related to our audit.

Significant audit findings

Qualitative aspects of accounting practices

Accounting policies

Management is responsible for the selection and use of appropriate accounting policies. The significant accounting policies used by the City are described in Note 1 to the financial statements.

No new accounting policies were adopted and the application of existing policies was not changed during 2020.

We noted no transactions entered into by the entity during the year for which there is a lack of authoritative guidance or consensus. All significant transactions have been recognized in the financial statements in the proper period.

Accounting estimates

Accounting estimates are an integral part of the financial statements prepared by management and are based on management's knowledge and experience about past and current events and assumptions about future events. Certain accounting estimates are particularly sensitive because of their significance to the financial statements and because of the possibility that future events affecting them may differ significantly from those expected. The most sensitive estimates affecting the financial statements were:

- Management's estimate of the allowance for doubtful accounts is based on historical water and sewer revenues, historical loss levels, and an analysis of the collectibility of individual accounts.
 We evaluated the key factors and assumptions used to develop the allowance in determining that it is reasonable in relation to the financial statements taken as a whole.
- Management's estimate of the unbilled water and sewer revenue is based on an allocated amount of the following month's billing for each route using the number of days occurring before the fiscal year-end. We evaluated the key factors and assumptions used to develop the unbilled water and sewer revenue in determining that it is reasonable in relation to the financial statements taken as a whole.

Honorable Mayor and Members of the City Council City of Avon Park, Florida Page 2

- Management's estimate of the depreciation of capital assets is based on the straight-line method of depreciation over the assets' estimated useful life. We evaluated the key factors and assumptions used to develop the depreciation in determining that it is reasonable in relation to the financial statements taken as a whole.
- Management's estimate of the other postemployment benefits liability is based on an actuarial valuation. We evaluated the key factors and assumptions used to develop the liability in determining that it is reasonable in relation to the financial statements taken as a whole.
- Management's estimate of net pension asset and liability are based on computations performed by outside specialists, including actuarial computations and assumptions that were relied upon. We evaluated the key factors and assumptions used to develop the net pension asset and liability in determining that they are reasonable in relation to the financial statements taken as a whole.

Financial statement disclosures

Certain financial statement disclosures are particularly sensitive because of their significance to financial statement users. There were no particularly sensitive financial statement disclosures.

The financial statement disclosures are neutral, consistent, and clear.

Difficulties encountered in performing the audit

The completion of our audit was delayed because of the delay in receipt of a complete trial balance, supporting schedules, and other information necessary to perform the audit.

Uncorrected misstatements

Professional standards require us to accumulate all misstatements identified during the audit, other than those that are clearly trivial, and communicate them to the appropriate level of management. Management did not identify and we did not notify them of any uncorrected financial statement misstatements.

Corrected misstatements

None of the misstatements detected as a result of audit procedures and corrected by management were material, either individually or in the aggregate, to the financial statements taken as a whole.

Disagreements with management

For purposes of this letter, a disagreement with management is a financial accounting, reporting, or auditing matter, whether or not resolved to our satisfaction, that could be significant to the financial statements or the auditors' report. No such disagreements arose during our audit.

Management representations

We have requested certain representations from management that are included in the management representation letter dated October 8, 2021.

Honorable Mayor and Members of the City Council City of Avon Park, Florida Page 3

Management consultations with other independent accountants

In some cases, management may decide to consult with other accountants about auditing and accounting matters, similar to obtaining a "second opinion" on certain situations. If a consultation involves application of an accounting principle to the entity's financial statements or a determination of the type of auditors' opinion that may be expressed on those statements, our professional standards require the consulting accountant to check with us to determine that the consultant has all the relevant facts. To our knowledge, there were no such consultations with other accountants.

Significant issues discussed with management prior to engagement

We generally discuss a variety of matters, including the application of accounting principles and auditing standards, with management each year prior to engagement as the entity's auditors. However, these discussions occurred in the normal course of our professional relationship and our responses were not a condition to our engagement.

Other audit findings or issues

The following describes findings or issues arising from the audit that are, in our professional judgment, significant and relevant to your oversight of the financial reporting process:

The City Council is charged with oversight and monitoring of the City's finances. To enhance the
City Council's oversight and monitoring, we recommend reviewing monthly or quarterly financial
reports that include actual year-to-date balances, budgetary data, and variance to budget

We have provided a separate letter to you dated October 8, 2021, communicating internal control related matters identified during the audit.

Audits of group financial statements

We noted no matters related to the group audit that we consider to be significant to the responsibilities of those charged with governance of the group.

Quality of component auditor's work

There were no instances in which our evaluation of the work of a component auditor gave rise to a concern about the quality of that auditor's work.

Limitations on the group audit

There were no restrictions on our access to information of components or other limitations on the group audit.

Other information in documents containing audited financial statements

With respect to the required supplementary information (RSI) accompanying the financial statements, we made certain inquiries of management about the methods of preparing the RSI, including whether the RSI has been measured and presented in accordance with prescribed guidelines, whether the methods of measurement and preparation have been changed from the prior period and the reasons for any such changes, and whether there were any significant assumptions or interpretations underlying the measurement or presentation of the RSI. We compared the RSI for consistency with management's responses to the foregoing inquiries, the basic financial statements, and other knowledge obtained

Honorable Mayor and Members of the City Council City of Avon Park, Florida Page 4

during the audit of the basic financial statements. Because these limited procedures do not provide sufficient evidence, we did not express an opinion or provide any assurance on the RSI.

With respect to the schedule of expenditures of federal awards and state financial assistance (SEFA) accompanying the financial statements, on which we were engaged to report in relation to the financial statements as a whole, we made certain inquiries of management and evaluated the form, content, and methods of preparing the SEFA to determine that the SEFA complies with the requirements of the Uniform Guidance and Chapter 10.550, *Rules of the Auditor General*, the method of preparing it has not changed from the prior period or the reasons for such changes, and the SEFA is appropriate and complete in relation to our audit of the financial statements. We compared and reconciled the SEFA to the underlying accounting records used to prepare the financial statements or to the financial statements themselves. We have issued our report thereon dated October 8, 2021.

With respect to the combining statements and schedules (collectively, the supplementary information) accompanying the financial statements, on which we were engaged to report in relation to the financial statements as a whole, we made certain inquiries of management and evaluated the form, content, and methods of preparing the information to determine that the information complies with accounting principles generally accepted in the United States of America, the method of preparing it has not changed from the prior period or the reasons for such changes, and the information is appropriate and complete in relation to our audit of the financial statements. We compared and reconciled the supplementary information to the underlying accounting records used to prepare the financial statements or to the financial statements themselves. We have issued our report thereon dated October 8, 2021.

Our auditors' opinion, the audited financial statements, and the notes to financial statements should only be used in their entirety. Inclusion of the audited financial statements in a document you prepare, such as an annual report, should be done only with our prior approval and review of the document.

INDEPENDENT AUDITORS' REPORT

Board of Directors Community Redevelopment Agency of the City of Avon Park, Florida

Report on the Financial Statements

We have audited the accompanying financial statements of the governmental activities and the general fund of the Community Redevelopment Agency of the City of Avon Park, Florida (CRA), a component unit of the City of Avon Park, Florida as of and for the year ended September 30, 2020, and the related notes to the financial statements, which collectively comprise the CRA's basic financial statements as listed in the table of contents.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express opinions on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

Board of Directors Community Redevelopment Agency of the City of Avon Park, Florida

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinions.

Opinions

In our opinion, the financial statements referred to above present fairly, in all material respects, the respective financial position of the governmental activities and the general fund of the CRA as of September 30, 2020, and the respective changes in financial position and budgetary comparison for the general fund thereof for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Other Matters

Required Supplementary Information

Accounting principles generally accepted in the United States of America require that the management's discussion and analysis on pages 4 through 7 be presented to supplement the basic financial statements. Such information, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context. We have applied certain limited procedures to the required supplementary information in accordance with auditing standards generally accepted in the United States of America, which consisted of inquiries of management about the methods of preparing the information and comparing the information for consistency with management's responses to our inquiries, the basic financial statements, and other knowledge we obtained during our audit of the basic financial statements. We do not express an opinion or provide any assurance on the information because the limited procedures do not provide us with sufficient evidence to express an opinion or provide any assurance.

Other Information

Our audit was conducted for the purpose of forming opinions on the financial statements that collectively comprise the CRA's basic financial statements. The combining schedule of revenues, expenditures, and changes in fund balances – general fund (combining schedule) is presented for purposes of additional analysis and is not a required part of the basic financial statements.

The combining schedule is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the basic financial statements. Such information has been subjected to the auditing procedures applied in the audit of the basic financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the basic financial statements or to the basic financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated, in all material respects, in relation to the basic financial statements as a whole.

Board of Directors Community Redevelopment Agency of the City of Avon Park, Florida

Other Reporting Required by Government Auditing Standards

In accordance with *Government Auditing Standards*, we have also issued our report dated October 8, 2021, on our consideration of the CRA's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is solely to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the CRA's internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the CRA's internal control over financial reporting and compliance.

CliftonLarsonAllen LLP

Clifton Larson Allen LLP

Sebring, Florida October 8, 2021 MANAGEMENT'S DISCUSSION AND ANALYSIS

As management of the Community Redevelopment Agency of the City of Avon Park, Florida (CRA), we offer the readers of the CRA's basic financial statements this narrative overview and analysis of the financial activities of the CRA for the year ended September 30, 2020. We encourage readers to consider the information presented here in conjunction with the CRA's financial statements.

Financial Highlights

- The assets of the CRA exceeds its liabilities as of September 30, 2020 by \$861,005 (Net Position).
- The CRA's total assets as of September 30, 2020 were \$875,005.
- The CRA's total revenue was \$745,950, including \$257,428 of CRA Incremental Tax Revenue.
- The CRA's total expenses came to \$38,245.
- The increase in net position was \$707,705.

Overview of Financial Statements

This discussion and analysis is intended to serve as an introduction to the CRA's basic financial statements. The CRA's basic financial statements comprise three components: government-wide financial statements, fund financial statements, and notes to the financial statements.

Government-Wide Financial Statements

The government-wide financial statements are designed to provide readers with a broad overview of the CRA's finances using the accrual basis of accounting. The CRA's government-wide financial statements include the following:

- Statement of Net Position reports the CRA's assets, deferred outflows of resources, liabilities, deferred inflows of resources and net position at the end of the fiscal year and provides information about the nature and amounts of investment of resources and obligations to creditors.
- Statement of Activities reports the results of activity over the course of the fiscal year. It details
 the costs associated with operating the CRA and how those costs were funded. It also provides
 an explanation of the change in net position from the previous fiscal year-end to the current
 fiscal year-end.
- The basic financial statements also include notes that provide required disclosures and other information necessary to gather the full meaning of the material presented in the statements.

The analysis of net position, revenue, and expenses are detailed and provide a comprehensive portrayal of financial conditions and related trends. The analysis includes all assets and liabilities using the accrual basis of accounting. Accrual accounting is similar to the accounting used by most private sector companies. Accrual accounting recognizes revenue and expenses when earned or incurred regardless of when cash is received or paid.

Our analysis presents the CRA's net position, which can be thought of as the difference between what the CRA owns (assets) and what the CRA owes (liabilities). The net position analysis will allow the reader to measure the health or financial position of the CRA. The CRA's net position consists of restricted net position that can only be spent for specific purposes because of constraints imposed by external sources (such as grantors, bondholders, and higher levels of government), or imposed by constitutional provisions or enabling legislation.

Over time, significant changes to the CRA's net position are an indicator of whether its financial health is improving or deteriorating. To fully assess the financial health of any CRA, the reader must also consider other nonfinancial factors such as fluctuations in the local economy.

The government-wide financial statements can be found on pages 8 through 9 of this report.

Fund Financial Statements

A fund is a grouping of related accounts that is used to maintain control over resources that have been segregated for specific activities or objectives. The CRA, like other state and local governments, uses fund accounting to ensure and demonstrate compliance with finance-related legal requirements. The CRA is accounted for as a governmental fund.

Governmental funds are used to account for essentially the same functions reported as governmental activities in the government-wide financial statements. However, unlike the government-wide financial statements, governmental fund financial statements focus on near-term inflows and outflows of spendable resources, as well as on balances of spendable resources available at the end of the fiscal year. Such information may be useful in evaluating a government's near-term financing requirements. Because the focus of governmental funds is narrower than that of the government-wide financial statements, it is useful to compare the information presented for governmental funds with similar information presented for governmental activities in the government-wide financial statements. By doing so, readers may better understand the long-term impact of the government's near-term financing decisions.

The CRA adopts an annual appropriated budget. A budgetary comparison statement has been provided for the General Fund to demonstrate compliance with the budget.

The governmental fund financial statements can be found on pages 10 through 11 of this report.

Notes to the Financial Statements

The notes provide additional information that is essential for a full understanding of the data provided in the government-wide and fund financial statements.

Government-Wide Financial Analysis

Summary of Net Position

	2020			2019	
ASSETS Current and Other Assets	\$	875,005	\$	931,619	
LIABILITIES Total Liabilities		14,000		778,319	
Net Position Restricted for Community Redevelopment	\$	861,005	_\$	153,300	

Assets decreased \$56,614 from the prior year due to the transfer of an asset held for resale to the City, which was offset by an increase in cash. Liabilities decreased by \$764,319 from the prior year primarily due to forgiveness of an advance from the City. There was an increase in net position of \$707,705 in the current year.

Summary of Revenues, Expenses, and Changes in Net Position

		2019		
REVENUES				
Taxes	\$	257,428	\$	207,273
Miscellaneous		488,522		25,731
Total Revenues		745,950		233,004
EXPENSES				
Economic Environment		38,245		58,564
CHANGE IN NET POSITION		707,705		174,440
Net Position - Beginning of Year		153,300	-	(21,140)
NET POSITION - END OF YEAR	\$	861,005	\$	153,300

In fiscal year 2020, total revenue was \$745,950, while total expenses were \$38,245. This resulted in a net position increase of \$707,705.

The taxable value of property located within the CRA District increased in fiscal year 2020 resulting in tax revenue increasing \$50,155 over the previous year. Miscellaneous revenue increased due to the CRA recognizing revenue for the forgiveness of an advance from the City in the current year. Expenses remained consistent with the prior year.

Governmental Fund Financial Analysis

General Fund

The general fund reported ending fund balance of \$861,005, an increase of \$707,705 over the prior year. The entire fund balance is restricted for community redevelopment. The changes in general fund activity are discussed in the government-wide analysis above.

General Fund Budgetary Highlights

The General Fund budget to actual statement is presented in the basic financial statements. The schedule shows the original adopted budget, the final budget, actual results, and the positive or negative variance between the final budget and actual results. After the original budget is approved, it may be amended for various reasons such as unanticipated revenues, unforeseen expenditures, or new grant awards.

- The actual net change in the fund balance of the General Fund compared to the final budget was a positive variance of \$1,205,341.
- General Fund revenues were \$489,977 more than the final budgeted amount.
- Actual expenditures in the General Fund were \$715,364 less than the final budget. Significant variances are due to projects that were budgeted not occurring in the current year.

Economic Factors and Next Year's Budget and Rates

The Community Redevelopment Agency of the City of Avon Park, Florida (CRA) is reported as a blended component unit of the City of Avon Park. Its annual budget for fiscal year 2021 was approved on September 28, 2020. The following factors were considered in preparing the CRA's budget for the 2021 fiscal year:

- Based on historical trends it is estimated the City's population growth will be 1% per year for the remainder of the decade.
- Property values are forecast to increase by 21.5% in fiscal year 2021.

The CRA is committed to the redevelopment of the main street, south side, and airport districts and undertaking initiatives that augment the permanent and visiting populace in order to compete with surrounding markets.

Requests for Information

This financial report is designed to provide a general overview of the CRA's finances for all those with an interest. Questions concerning any of the information provided on this report or requests for additional information should be addressed to the Office of the City Manager, 110 E. Main Street, Avon Park, FL 33825.

NOTE 1 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Reporting Entity

The Community Redevelopment Agency of the City of Avon Park (the CRA) was created on March 28, 1988, pursuant to Florida Statute 163.356, by the passage of City Ordinance No. 822 and is responsible for the redevelopment of defined areas within the city limits. Its mission is to improve the quality of residential life; revitalization of the central business district; locating industrial and commercial business to appropriate locations; and improving infrastructure in three designated areas: Main Street, South Side, and the Airport. The City Council of the City of Avon Park (City) serves as the board of directors for the CRA. The CRA is considered a blended component unit in the City's financial statements.

As required by accounting principles generally accepted in the United States of America, these financial statements present the CRA and component units for which the CRA is financially accountable. The application of these criteria provides for identification of any entities for which the CRA is financially accountable and other organizations that the nature and significance of their relationship with the CRA are such that exclusion would cause the CRA's basic financial statements to be misleading or incomplete. Based on the application of these criteria, the CRA has determined that there are no component units.

Basis of Presentation

The accounts of the CRA are organized on the basis of funds, each of which is considered a separate accounting entity. The operations of each fund are accounted for with a separate set of self-balancing accounts that comprise its assets, liabilities, fund equity, revenues, and expenditures or expenses as appropriate. Government resources are allocated to and accounted for in individual funds based upon the purposes for which they are to be spent and the means by which spending activities are controlled.

Currently, the CRA has only one fund, the General Fund. The General Fund is a major fund and is the operating fund of the CRA. It is used to account for all financial resources and expenditures.

The government-wide financial statements (i.e., the statement of net position and the statement of activities) report information on activities of the CRA. The CRA reports only governmental activities; it does not have any business-type activities.

NOTE 1 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Government-Wide Financial Statements

The statement of activities demonstrates the degree to which the direct expenses of a given function are offset by program revenues. Direct expenses are those that are clearly identifiable with a specific function. Program revenues consist of charges for services, grants and contributions that are restricted to meeting an operational or capital requirement of a particular function. Payments received from taxes, insurance proceeds and other items not properly included as program revenues are reported as general revenues.

Separate financial information is provided for the governmental fund.

Measurement Focus and Basis of Accounting

The government-wide financial statements are reported using the *economic resources* measurement focus and the accrual basis of accounting. Revenues are recorded when earned and expenses are recorded when a liability is incurred, regardless of the timing of related cash flows. Grants and similar items are recognized as revenue as soon as all eligibility requirements imposed by the provider have been met.

Governmental fund financial statements are reported using the *current financial resources* measurement focus and the modified accrual basis of accounting. Revenues are recognized as soon as they are both measurable and available. Revenues are considered to be available when they are collectible within the current period or soon enough thereafter to pay liabilities of the current period. For this purpose, the CRA considers revenues to be available if they are collected within 60 days of the end of the current fiscal period. Expenditures generally are recorded when a liability is incurred, as under accrual accounting.

Budgets and Budgetary Data

The Following are the procedures in establishing the budget:

The CRA's management prepares the annual fiscal operating budget. The proposed budget is then presented to the CRA's board of directors for changes and final approval. Once adopted, the budget serves as legal authorization for expenditures.

Formal budgetary integration is employed as a management control device during the year for all governmental fund types. Budgets for the general fund are adopted on a basis consistent with accounting principles generally accepted in the United States of America (GAAP). All appropriations lapse at the close of the fiscal year.

NOTE 1 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Incremental Property Tax Revenue

The CRA's primary source of revenue is tax-increment funding. This revenue is computed by applying the respective tax rates for the City and Highlands County (County) multiplied by the increased value of property tax located within the boundaries of the redevelopment areas of the CRA in excess of the base property value.

The tax levy is established prior to October 1 of each year and the Highlands County Property Appraiser incorporates the millages established by the City and County into the total tax levy. All property is reassessed according to its fair value on January 1 of each year. All taxes are due and payable on November 1 (levy date) of each year or as soon thereafter as the assessment roll is certified and delivered to the Tax Collector. All unpaid taxes become delinquent on April 1 following the year in which they are assessed. Discounts are allowed for early payment at the rate of 4% in the month of November, 3% in the month of December, 2% in the month of January, and 1% in the month of February. The taxes paid in March are without discount.

Delinquent taxes on real property bear interest of up to 18% per year. On or prior to June 1 following the tax year, certificates are sold for all delinquent taxes on real property. Application for a tax deed on any unredeemed tax certificates may be made by the certificate holder after a period of two years. Unsold certificates are held by the County.

Fund Balances

In the governmental fund financial statements, fund balances are classified as follows:

Nonspendable – amounts that are not in spendable form (such as inventory or prepaid items) or are required to be maintained intact.

<u>Restricted</u> – amounts constrained to specific purposes by their providers (such as grantors, bondholders, and higher levels of government), through constitutional provisions, or by enabling legislation.

<u>Committed</u> – amounts constrained to specific purposes by the CRA itself, using its highest level of decision-making authority, the CRA Board. To be reported as committed, amounts cannot be used for any other purpose unless the CRA takes the same highest level action to remove or change the constraint.

<u>Assigned</u> – amounts the CRA intends to use for a specific purpose. Intent can be expressed by the CRA Board or by an official or body to which the CRA Board delegates the authority.

NOTE 1 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Fund Balances (Continued)

<u>Unassigned</u> – amounts that are available for any purpose. Positive amounts are reported only in the General Fund. Unassigned fund balance may also include negative balances for any governmental fund if expenditures exceed amounts restricted, committed, or assigned for those purposes.

Disbursements of fund balance will first be made from restricted amounts when both restricted and unrestricted fund balance is available. Additionally, the CRA will first use committed fund balance, followed by assigned fund balance, and then unassigned fund balance when expenditures are incurred for purposes where amounts in any of the unrestricted fund balance classifications could be used.

The CRA's fund balance is restricted for community redevelopment.

Net Position

Net position represents the difference between assets and deferred outflows of resources, and liabilities and deferred inflows of resources. Net position is reported as restricted when there are limitations imposed on their use either through the enabling legislation adopted by the CRA or through external restrictions imposed by creditors, grantors or laws or regulations of other governments.

Use of Estimates

The preparation of the financial statements in conformity with accounting principles generally accepted in the Unites States of America requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

NOTE 2 CASH, CASH EQUIVALENTS, AND INVESTMENTS

Cash and cash equivalents as of September 30, 2020 consisted of:

Statement of Net Position:
Equity in Pooled Cash and Cash Equivalents

\$ 875,005

Custodial Credit Risk is defined as the risk that, in the event of failure of the counterparty, the CRA will not be able to recover the value of its deposits and securities that are in the possession of an outside party. Bank balances of the CRA's deposits at September 30, 2020 were \$875,005.

NOTE 2 CASH, CASH EQUIVALENTS, AND INVESTMENTS (CONTINUED)

All balances in excess of the Federal Deposit Insurance Corporation (FDIC) for demand and time deposits are fully collateralized pursuant to Chapter 280, Florida Statutes. The CRA's investment policy requires that the deposit be entirely covered by federal depository insurance or by collateral pledged with the State Treasurer pursuant to Chapter 280, Florida Statutes. Under this Chapter, in the event of default by a participating financial institution (a qualified public depository), all participating institutions are obligated to reimburse the governmental entity for the loss. Other than the preceding, the CRA has no policy on custodial credit risk.

All deposit accounts of the CRA are placed in banks that qualify as a public depository, as required by law (Florida Security for Public Deposits Act, Chapter 280, Florida Statutes). Chapter 280 of the Florida Statutes provides that qualified public depositories must maintain eligible collateral having a market value equal to 25% of the average daily balance for each month of all public deposits in excess of any applicable deposit insurance held by the depository during the 12 months immediately preceding the date of any computation of the balance. As such, the depository is not required to hold collateral in the CRA's name, nor specify which collateral is held for the CRA's benefit.

The Public Deposit Security Trust Fund, as created under the laws of the state of Florida, would be required to pay the CRA for any deposits not covered by depository insurance or collateral pledged by the depository as previously described. Florida Statutes and the CRA's investment policy authorize the CRA to use interest bearing time deposit, savings accounts, and money market accounts in qualified public depositories. All deposits are entirely insured.

NOTE 3 RISK MANAGEMENT

The CRA is exposed to various risks of loss related to torts, theft of, damage to, and destruction of assets; errors and omissions; injuries to employees; and natural disasters. To protect against this risk the CRA has purchased commercial insurance policies. The CRA is liable for deductibles on certain coverage. Insurance settlements have not exceeded insurance coverage in any of the three prior fiscal years.

INDEPENDENT AUDITORS' REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS

Board of Directors Community Redevelopment Agency of the City of Avon Park, Florida

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of the governmental activities and the general fund of the Community Redevelopment Agency of the City of Avon Park, Florida (CRA), a component unit of the City of Avon Park, as of and for the year ended September 30, 2020, and the related notes to the financial statements, which collectively comprise the CRA's basic financial statements, and have issued our report thereon dated October 8, 2021.

Internal Control Over Financial Reporting

In planning and performing our audit of the financial statements, we considered the CRA's internal control over financial reporting (internal control) as a basis for designing audit procedures that are appropriate in the circumstances for the purpose of expressing our opinions on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the CRA's internal control. Accordingly, we do not express an opinion on the effectiveness of the CRA's internal control.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A material weakness is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the CRA's financial statements will not be prevented, or detected and corrected on a timely basis. A significant deficiency is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

Board of Directors Community Redevelopment Agency of the City of Avon Park, Florida

Compliance and Other Matters

As part of obtaining reasonable assurance about whether the CRA's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the financial statements. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the entity's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the CRA's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

MANAGEMENT LETTER

Board of Directors Community Redevelopment Agency of the City of Avon Park, Florida

Report on the Financial Statements

We have audited the financial statements of the Community Redevelopment Agency of the City of Avon Park, Florida (CRA), a component unit of the City of Avon Park, as of and for the fiscal year ended September 30, 2020, and have issued our report thereon dated October 8, 2021.

Auditors' Responsibility

We conducted our audit in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; and Chapter 10.550, *Rules of the Auditor General*.

Other Reporting Requirements

We have issued our Independent Auditors' Report on Internal Control over Financial Reporting and on Compliance and Other Matters Based on an Audit of the Financial Statements Performed in Accordance with *Government Auditing Standards*; and Independent Accountants' Report on an examination conducted in accordance with *AICPA Professional Standards*, AT-C Section 315, regarding compliance requirements in accordance with Chapter 10.550, *Rules of the Auditor General*. Disclosures in those reports and schedule, which are dated October 8, 2021, should be considered in conjunction with this management letter.

Prior Audit Findings

Section 10.554(1)(i)1., Rules of the Auditor General, requires that we determine whether or not corrective actions have been taken to address findings and recommendations made in the preceding financial audit report. There were no recommendations made in the preceding financial audit report.

Official Title and Legal Authority

Section 10.554(1)(i)4., Rules of the Auditor General, requires that the name or official title and legal authority for the primary government and each component unit of the reporting entity be disclosed in this management letter, unless disclosed in the notes to the financial statements. See Note 1 to the financial statements.

Board of Directors Community Redevelopment Agency of the City of Avon Park, Florida

Financial Condition and Management

Sections 10.554(1)(i)5.a. and 10.556(7), *Rules of the Auditor General*, require us to apply appropriate procedures and communicate the results of our determination as to whether or not the CRA has met one or more of the conditions described in Section 218.503(1), Florida Statutes, and to identify the specific condition(s) met. In connection with our audit, we determined that the CRA did not meet any of the conditions described in Section 218.503(1), Florida Statutes.

Pursuant to Section 10.554(1)(i)5.b. and 10.556(8), *Rules of the Auditor General*, we applied financial condition assessment procedures for the CRA. It is management's responsibility to monitor the CRA's financial condition, and our financial condition assessment was based in part on representations made by management and the review of financial information provided by the same.

Section 10.554(1)(i)2., Rules of the Auditor General, requires that we communicate any recommendations to improve financial management. In connection with our audit, we did not have any such recommendations.

Special District Component Units

Section 10.554(1)(i)5.c, *Rules of the Auditor General*, requires, if appropriate, that we communicate the failure of a special district that is a component unit of a county, municipality, or special district, to provide the financial information necessary for proper reporting of the component unit within the audited financial statements of the county, municipality, or special district in accordance with Section 218.39(3)(b), Florida Statutes. In connection with our audit, we did not note any special district component units that failed to provide the necessary information for proper reporting in accordance with Section 218.39(3)(b), Florida Statutes. The CRA contains no component units.

Additional Matters

Section 10.554(1)(i)3., Rules of the Auditor General, requires us to communicate noncompliance with provisions of contracts or grant agreements, or abuse, that have occurred, or are likely to have occurred, that have an effect on the financial statements that is less than material but which warrants the attention of those charged with governance. Matters identified in our audit are reported in the Independent Accountants' Report on our testing of compliance with Sections 163.387(6) and (7), Florida Statutes.

Purpose of this Letter

Our management letter is intended solely for the information and use of the Legislative Auditing Committee, members of the Florida Senate and the Florida House of Representatives, the Florida Auditor General, Federal and other granting agencies, the CRA's Board of Directors and applicable management, and is not intended to be and should not be used by anyone other than these specified parties.

INDEPENDENT ACCOUNTANTS' REPORT

Board of Directors Community Redevelopment Agency of the City of Avon Park, Florida

We have examined the Community Redevelopment Agency of the City of Avon Park, Florida's (CRA), a component unit of the City of Avon Park, compliance with Section 218.415, Florida Statutes, regarding the investment of public funds, and Sections 163.387(6) and (7), Florida Statutes, regarding community redevelopment agencies, during the year ended September 30, 2020. Management of the CRA is responsible for the CRA's compliance with the specified requirements. Our responsibility is to express an opinion on the CRA's compliance with the specified requirements based on our examination.

Our examination was conducted in accordance with attestation standards established by the American Institute of Certified Public Accountants. Those standards require that we plan and perform the examination to obtain reasonable assurance about whether the CRA complied, in all material respects, with the specified requirements referenced above. An examination involves performing procedures to obtain evidence about whether the CRA complied with the specified requirements. The nature, timing, and extent of the procedures selected depend on our judgment, including an assessment of the risks of material noncompliance, whether due to fraud or error. We believe that the evidence we obtained is sufficient and appropriate to provide a reasonable basis for our opinion.

Our examination does not provide a legal determination on the CRA's compliance with specified requirements.

Our examination disclosed that the CRA did not submit an adopted budget to the Board of County Commissioners within 10 days of adoption, as required by Florida Statute 163.387(6)(b).

In our opinion, except for the items described in the preceding paragraph, the CRA complied, in all material respects, with Section 218.415, Florida Statutes, regarding the investment of public funds; and Sections 163.387(6) and (7), Florida Statutes, regarding community redevelopment agencies; during the year ended September 30, 2020.

This report is intended solely for the information and use of the CRA and the Auditor General, State of Florida, and is not intended to be, and should not be, used by anyone other than these specified parties.
